TO WHOM SO EVER IT MAY CONCERN

We are happy to certify that the M/S SAS Powertech Pvt. Ltd. (SASPPL) Pune, has successfully conducted Reactive Power Compensation Study & implemented the desired solution our facility in the month of October 2021. The installed RTPFC panels helped us to optimization in KVAh billing & improved the Power Factor from 0.927 to 0.995 automatically

Monthly (Avg.) saving achieved in Electricity bill after installation of panel is Rs. 2, 50,000/-

We would also like to mention that SASPPL has got expertise & experience in handling reactive power issues & we got prompt response and quick service from the Team of SASPPL. The solution oriented approach of their marketing staff ensured achievement of desired results.

We wish them great success for their future endeavors and business.

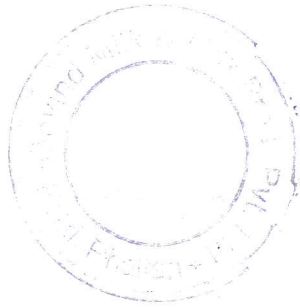

Thanking you,

Mr. G. H. Hatturkar

G.M. (Maintenance & Engineering Department)
