### To whomsoever it may concern

This is to certify that M/s. SAS Powertech Pvt. Ltd Pune are maintaining the Power Electronic equipment's viz. UPS systems/ Stabilizers installed with us. They have been awarded the AMC for the same since past 3yrs at very economical rates helping us control our Operational cost's.

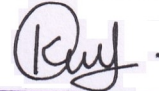

They are maintaining UPS systems from 5kVA,10kVA and 30kVA installed with us and have been successful in enhancing the uptime of the installed UPS systems. They are a professional company with a dedicated service team equipped with calibrated equipment's.

They are very responsive and have a team of trained engineers who have good system understanding and knowledge of Power Electronics. They conduct timely preventive maintenance of installed equipment's on quarterly basis without any reminders & have data of system performance with them for all our installations. Due to in house Repair shop they conduct component level repairs economically and within short time.

They are a single stop solution for us and provide service to EMERSON, DB, APC UPS systems.

We are satisfied with their service and would highly recommend them to be considered as a very competent Power Electronic Service provider.

We wish them good luck & success in their endeavor.
